

# **Know what's below. Call before you dig.**

A friendly reminder to all citizens, "By law, you are required to call West Virginia 811 at least 48 hours before you break ground on any job. This law applies to individuals tackling home projects as well as contractors working on public or private property. Calling 811 at least two business days prior to excavation and/or demolition will allow members of WV 811 (owners of underground facilities) time to identify and mark their facilities. WV 811 does not mark underground facilities.

WV 811 can be contacted twenty-four (24) hours a day, seven (7) days a week by calling toll free 1-800-245-4848 or Call 811. Whenever possible, it is best to call between 7AM and 5PM, Monday through Friday.

***Call 811 or 1-800-245-4848***
