

Citizen Recognition Award

Is there someone that you feel goes above and beyond for the community and should be recognized by the Town of Capon Bridge Council for their service?

If so, please fill out a nomination form with the name of the nominee, their address (to determine if resident or not), and why you feel they are deserving of recognition.

The nominations will be reviewed, and one citizen will be chosen to receive The Town of Capon Bridge Citizen Recognition award.

Those members of our community who do not live in the Town of Capon Bridge, but also go above and beyond for the community, can also be nominated to receive recognition. One person will be chosen to be recognized at a meeting of the Town Council for their service to our community.
